P.S. from the Muzrai Supdt. means it will be
clear that the tax on the building
at Lower Tirupathi & the scavenging exp are legi-
timately payable. The Upper Tirupathi Chattram
has been taxed & the tax on the Lower Tir-
upathi Chattram has twice been removed.
Panda's garden in Upper Tirupathi
being detached, that may also be taken
as liable in scavenging.

The tax on the Inkaravara garden below &
the tax on the garden attached to the Upper
Tirupathi Chattram appear to be properties that
are not liable to be taxed.

I have instructed the Peshkar to appeal to the
Collector about the tax on the Upper Tirupathi
garden; and have asked him to intimate
why the Inkaravara garden was taxed once

1 Upper Tirupate Chutkuru

The assessment on these is said

to be levied by the Revenue Dept under section 7 of the Irrigation Act II of 1864. The authority quoted does not seem to be correct. A cess is leviable under Act no VII of 1865 for the use of water supplied for irrigation purposes in certain cases and arrears of this cess are realisable in the manner laid down in Act II of 1864. It may perhaps be under the former Act that the cess is imposed and if it is, it has to be ascertained whether the requisite conditions exist for the imposition of the cess.

2. Lower Terupatti Chattram. The assessment is reported to have been withdrawn, evidently on the ground that the Chattram is ~~an~~ ~~exemptable~~ used for charitable purposes and is exempt from taxation under section 63 of the Madras District Municipalities Act.

3. Sukrawara Garden. This is said to form at present the backyard of the Lower Terupatti Chattram. It seems therefore that

Serial

it must be taken as attached to the Chuttrum and utilised for the same purpose as the Chuttrum and consequently exempt from taxation in the same way as the Chuttrum. - If however it is let out for rent, no exemption can be claimed in respect of it although the rent may be expended for purposes of the Chuttrum.

4 Butcher's building - It is not clear for what purpose this building is used. The Madras Govt have ruled, acting on the opinion of the Advocate General, that Govt buildings used for such purposes as Revenue office etc are not exempt from payment of the municipal tax. (Vide the Madras Municipal Manual, pages 115 and 116)

The properties of the Mysore Government at Upper and Lower Tirupati are the following:-

No.	Name of Property	Def. by State C. Series	Amount Rs. As p.	Date of first Levy	Remarks.
1	Upper Tirupati Chattram Garden	Rev. Dept.	24	1906-07	Details of each not given by the Peskhar.
2	Pandava Tribhanga Garden	Revenue Dept.	11	1900-01	Same as No. 1.
3	Lower Tirupati Chattram	"	5	1906-07	
4	Sukravara Garden	"	11	1900-01	
5	Butcher's Building	"	3		
6	Seaver's Cess for Lower Tirupati Chattram	"			

- (1) Upper Tirupati Chattram
- (2) Garden attached to this Chattram
- (3) Pandava Tribhanga garden
- (4) Lower Tirupati Chattram
- (5) Sukravara garden which now is the back-yard of the Lower Tirupati Chattram
- (6) Catcherry building at Lower Tirupati

No. 1, 2 and 3 have been in our possession since 1800-1801 during Purnayya's days.

No. 6 was acquired in about 1800 or so during the days of the Mysore Commission

No. 5, though not as old as Nos. 1, 2 and 3, has been in our possession and it is not known how this was acquired. (Information furnished by the Peskhar orally on 5th December 1911).

No. 4 was acquired as a memorial of His Highness the late Maharaja about 1900.

3. All these properties except the Upper Tirupati Chattram have been taxed as shown in the margin. The tax now paid annually is Rs. 44-2-4.

4. It is not known what action was taken in 1900-01 when some properties were first

No. 101 dated 7-1-1902.

taxed. There is a report from the Dharma -
darsi in January 1902 to the effect that
No. 11-8-0 for 6 months as the tax of the
two buildings in Lower Tirupati should be

No. 389 dated 10-2-1902.

sanctioned. He was informed that he -
might apply in time every six months and
obtain sanction. There are no other
papers about this matter.

5. The levy of the taxes in 1906 and -
1907 was then and there reported by the

Order No.2076 dated 23-10-07. Peshkar and he was directed to pay up and
and No.4144 dated 30-5-1908.
appeal.

No.35 dated 5-8-1910.

Order No.1529 dated 2-6-1911.

Report No.25 dated 22-7-1911.

6. As regards the Sakravara garden, he
reported that his appeal was not success-
ful. He was asked what further steps -
he had taken; and has reported that furth-
er steps have to be taken after this -
garden is improved.

7. This Sakravara garden at Lower Tirupati
prior to the purchase of the Chattram -
building was a detached property in the -
possession of the Mysore Government. After
the purchase of the Chattram building, this
garden has become the back-yard of the -
building. From a subsequent report of -
the Peshkar it is found that once before a
tax was imposed on this garden and that on
a reference from here prior to the Rend-
ition the tax was withdrawn.

No. 108 dated 21-10-1911.

8. The Upper Tirupati Chattram garden -
has always been the back-yard of the Chat-
tram.

9. As regards the tax on the gardens at
Upper Tirupati, the Peshkar has come to

Report No.9 dated 4-7-1907.
" 122 " 14-12-1909
and 220 " 12-4-1910.

time reported that he was trying to obtain copies and look into records before filing an appeal.

Order No.10 dated 7-7-1910.

10. It was usual to meet the charges on account of the taxes from savings in other items. The Peshkar having in his report No. 220 dated 14th April 1910 proposed to similarly adjust the charge he was informed that this should not be thus adjusted.

Lester No.116j dated 14-6-1910.

11. A recommendation was made to Government in June 1910 for the sanction of the tax paid till then and recompense of interest. This was sanctioned and further information on the following points was called for:-

Docket No.254/M.F. 710-09-3
dated 20-7-1910.

(i) Whether charitable Institutions are not exempt from Municipal taxes?

(ii) When were there taxes ~~first~~ first imposed and under what law, and why not before?

A reply to Government has not yet been sent.

Report No.35 dated 7-8-1910.

12. As regards the first query, the Peshkar reports that there are no hard and fast rules regulating the levy of taxes on charitable buildings, but that taxes are not generally imposed on dharmasalas which are like Musalirkhanas used by the Public, but that such exemption does not apply to Chattrams which are under somebody's control.

13. As regards the 2nd, it will be seen from the statement appended to para 5 above

when and to what extent taxes were levied on our properties at Tirupati.

Report No. 82 dated 16-9-1910.

The Municipal tax on Chaitram building is reported to have been levied in accordance with the provisions contained in Section 63 of the Municipal Act 4 of 1884 as amended by Act 3 of 1897 while the revenue tax on Upper Tirupati gardens is levied in accordance with the provision contained in Section 7 of the Regulation Act 2 of 1864.

Report Registered No. 825 dated 4-11-1910.

Report No. 82 dated 16-9-1910. The Municipal tax was levied only in 1900-01 and not since, because there was no Chaitram at Lower Tirupati prior to that year and what the office building though in existence not being frequently used did not draw the attention of the Municipal authorities for the levy of a tax.

Report No. 82 dated 16-9-1910. The revenue tax on the Upper Tirupati garden is a new charge and has been levied along with other gardens at Tirupati.

Report No. 36 dated 1-8-1911. 14. With regard to the tax on the Upper Tirupati gardens the Receiver now proposes to move the Collector in appeal and also sends for instructions a communication from the Special Deputy Magistrate enquiring if Patta will be taken.
